Local Papers Highlight Good Works of Boyk Law

In April, Chuck Boyk and Multimedia Designer Josh Nagel were highlighted in two of the city’s most prominent newspapers—the Toledo Free Press and Toledo-area Parent News—bringing light to some of the good work that they do for our clients and in the community.

Chuck was featured in Parent News “Ask the Expert” column by explaining to readers what legal steps parents should take if their child is injured at school or at a friend’s house when the parent is not present. He stressed that parents need to stay calm but be firm. Ask questions, take photos, and document everything.

Josh, almost died after falling off of a high-dived board when he was 11. His parents, Chuck and Robin Boyk, stayed calm and focused on their medical attention, but it is sure to be a hit! This quick and easy side dish pairs well with all types of cookout favorites, like burgers, brats, or chicken. Bring this to any Memorial Day party away, too.

Ms. Hooker’s response after learning that she won a $250 gift card was tear-filled shock.
