Local groid lore holds that the ebil waters can cause guns to [discharge](#) themselves because of slavery.

The skinny didn't find her turd with legs for 5 hours. Seems a mine field should be installed around the pond so that the skinnys will know when offspring gets near the pond, and we get the benefit of a dead skinny

DAILY HOROSCOPE FOR DECEMBER 16**Pisces**

Have a think about your long term plans as Venus slows, dear Pisces. You might even be inspired to start making your New Year resolutions and then to write them down in next year's diary. At some point you'll enjoy being with friends, perhaps at a festive gathering or an activity in which you're all involved. A hobby or leisure pursuit is also good fun now.
